2018 Annual Report

Mission Statement: Encouraging independence, empowerment and self-sufficiency for families fleeing domestic violence, by providing access to permanent housing, tailored services and community resources.

Exodus Housing is a small agency with a big mission. We provide low-income households who are fleeing/attempting to flee domestic violence (DV) assistance with access to permanent housing, monthly rental assistance, and ongoing case management supportive services. Our overall goal is to stop the cycle of DV and homelessness by assisting families with housing and case management services that increase their ability to be self sufficient and retain the housing on their own. We meet this goal by connecting families to private landlords that rent units within the fair market rent guidelines of Pierce County. Families are rapidly housed to include assistance with funds that pay for all the move in costs (first/last month's rent, security deposit, application fee, and utility deposit) and monthly rental assistance. Our case management services are guided by progressive engagement, a model that is unique to each individual household served. Households increase their ability to be self-sufficient by creating a housing stability goal and budget plan, as well as connecting to referrals and community resources that promote long-term stability. Services and rental assistance continues until the household is financially stable to exit the program and retain the housing without any assistance. The average length of stay in our program is approximately 6-9 months.

Ways to Help

Host an Essential Needs Drive

We need your help to convert empty apartments into a functional home. Families often flee and are forced to leave all belongings behind so we collect items for them such as shampoo/conditioner, laundry/dishwasher soap, toothbrushes, toothpaste, toilet paper, towels, dishes, pots/pans etc.

You may also send a donation to Exodus Housing via our PO box. This donation will go straight to the families for direct services.

Donations can be sent to:
PO Box 1006, Sumner, WA 98390
